Services we provide

Along with routine appointments, the practice offers the following services:

- **Family planning** – All our GPs and the practice nurse offer a full range of family planning services
- **Immunisations** – The nursing team administers vaccines for both adult and child immunisations. We hold set vaccination clinics, please call for further details. If you are unable to attend these clinics, please discuss with a member of our administrative staff
- **Minor surgery** – Your GP will advise on minor operations
- **Cervical smear testing** – For women aged 25 – 65. These tests are undertaken by the nursing team.
- **Well-Man and Well-Women clinics** – Nurse-led, these clinics are aimed at encouraging a healthy lifestyle for our male and female population
- **Chronic disease management** – We hold a range of clinics to help our patients to manage their long-term medical problems including asthma, diabetes, hypertension, kidney disease and heart disease.
- **Other services** – Health checks for adult patients aged 16 to 74 years and 75 years and over are also available especially for those who have not seen a clinician at this practice. Details are available from reception and on the practice website.

We also offer the following clinics and checks: antenatal, baby, post-natal, smoking cessation, counselling for drug and alcohol addiction

From time to time, other services may be available such as raising awareness of a particular disease or condition. We will advertise this information on our website and within the practice.

Teaching practice

The practice is a teaching practice and occasionally trainee GPs may, as part of their training, be required to sit in with their trainer GP during consultations with patients.

You will always be asked if you consent to this prior to your consultation. If you do not consent, the trainee GP will not sit in on your consultation.

How to register at the practice

The quickest way to register at the practice is to use the practice website. You must live within the practice area which is shown on the website. If you are unable to use the website, please contact the practice for information about how to register.

Patients' rights and responsibilities

When registering, you have a right to express a preference to be seen by a particular GP. This will be recorded on our clinical system and, where possible, you will be allocated appointments with that clinician. All patients will be assigned an accountable GP.

You will also be offered a health check when you join the practice for the first time (see the practice website for a full list of your rights and responsibilities).

Appointments and accessing practice services

To make an appointment to see your GP or any member of our healthcare staff or to access any other of our practice services, please log on to the practice website at [<https://www.centralmedicalcentre.nhs.uk>]. Should you be unable to access the website, please ring 02475102795 and a member of our administrative staff will be able to assist you.

The practice website contains all the relevant practice information that you are likely to require. It is the quickest way to access the services you may need.

Threats of violence or abuse of our staff

Our staff work hard to provide you with the best possible service. Please treat them with the courtesy and respect they deserve. We operate a zero-tolerance policy and may refuse to provide services to individuals or those accompanying individuals who are violent, threaten violence, commit or threaten to commit a criminal offence

Patient Participation Group

We have an active Patient Participation Group (PPG), ensuring that our patients are involved in decisions about the services provided by the practice.

Further information about our PPG is available online at www.centralmedicalcentre.nhs.uk/about-section/patient-group/
Alternatively, contact Dr A Khan who is the nominated point of contact for all PPG matters.

Patient data

All clinical and administrative staff have an ethical as well as a legal duty to protect patient information from unauthorised disclosure and in accordance with UK GDPR.

The patient privacy notice is available on the practice website.
